Phone: 217-800-1158

505 FRONTAGE RD  
MCLEAN, IL 61754  
Phone: 309-874-2221

Specializing in Soil Auditing and Nutrient Balancing, Nitrogen Testing and Recommendations, Crop Diagnostics, Insect Management, GPS Mapping, Yield Data Processing, Variable Rate Populations

### **AGRONOMY FEES:**

1. Soil Analysis Service	\$7.25/Ac	Accurate soil sampling and zone management map. Complete soil analysis: Major and minor fertility elements. Fertilizer recommendations: kind and amount. Crop diagnostics.
2. Nitrogen Testing	\$75.00/Sample	Spring soil Nitrate and Ammonia test. Nitrogen recommendations: kind and amount.
3. Stalk Nitrate Sampling	\$75.00/Sample	Fall stalk nitrate analysis to evaluate current season nitrogen utilization.
4. Tissue Testing/analysis	\$75.00/Sample	Plant tissue test to analyze plant nutrient levels prior to grain fill. Foliar recommendation as needed.
5. Crop Scouting	\$7.00/Ac	Bi-weekly crop scouting
6. Soil Health Test	\$125.00/Sample	Soil Health Analysis
7. Variable Rate Nitrogen or Planting Population maps	\$2.50/Ac	Variable rate nitrogen maps and/or planting population maps made from CEC zones derived from yield data.
8. Manure Analysis/Water Analysis	\$75.00/Sample	Analysis of Manure and water samples.
9. Full Consulting Package	\$17.50/Ac	Options 1 - 8 used on all acres

Mission Statement: We provide the best service possible while increasing the customer's bottom line.

**APPLICATION FEES:**

10. Chemical application	\$6.00/acre
11. Corn fungicide at VT	\$8.50/ac
12. Fertilizer application	\$6.00/ac - blanket spread; \$8.50/ac - VRT spread
13. Lime application	\$6.00/ton (\$6.00/ac minimum)
14. 11 row sidedress bar	\$2.50/ac
15. 15 row sidedress bar	\$3.50/ac
16. 23 row sidedress bar	\$4.50/ac
17. Custom sidedress bar	\$13.50/ac (y-drops) (applicators equipped w/reichhardt steering system)
18. Cover crop application	\$8.50/ac (cover crop blended with fertilizer application)

Mission Statement: We provide the best service possible while increasing the customer's bottom line.
